BEGONIAS—TUBEROUS ROOTED

Delivery December through May. Flowering time February through September. Excellent for Greenhouse, Conservatory or outdoor planting in frost proof areas. Our prepared bulbs which are available early will flower in March and continue for many months.

DOUBLE RUFFLED CAMELLIA. This is the most popular type of all due to the formation of the flowers. They are excellent for planting in the border—in solid beds—or as specimen pot plants for patio decoration. Fine for window boxes too! Make excellent cut flowers (floating on water in a bowl). We offer the following colors: Pink, White, Red, Yellow and Salmon. Or Mixture.

PICOTEE. Blooms are like the Camellia type except that they have a pencil stripe around each petal. Very beautiful and attractive. We offer the following colors: White with red edge; Salmon with scarlet edge. Or Mixture.

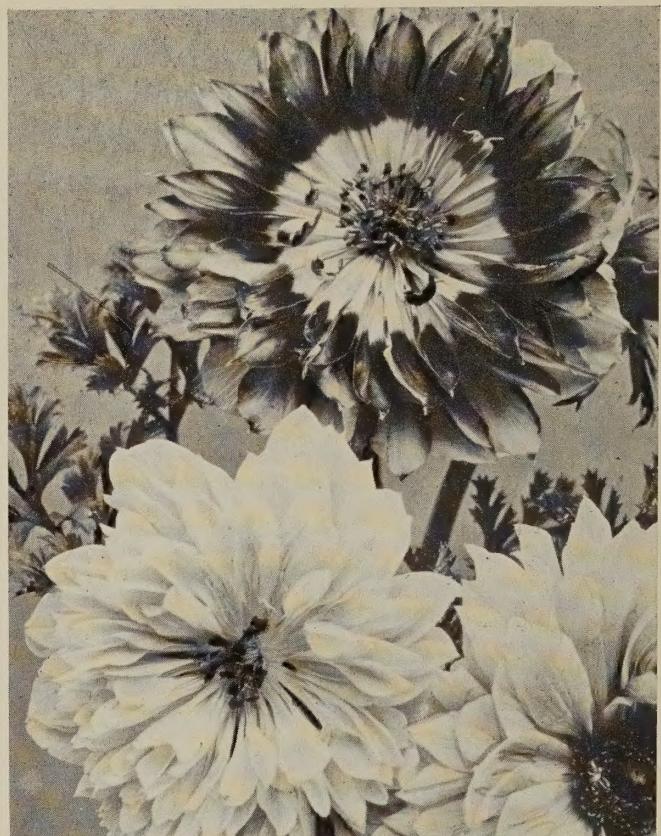

CARNATION. Delightful flowers of true Carnation type. Available in same color as noted for Camellia.

CRISTATA. A single type that is slightly frilled, a cockscomb like tuft or crest is borne on each petal for a delightful effect. Mixture of pastel shades only.

MULTIFLORA. Produce a very large number of small flowers on short growing plants and are therefore excellent for pot specimens or bedding where a carpet effect is desired. Extra fine foliage as well. Mixture of pastel shades only.

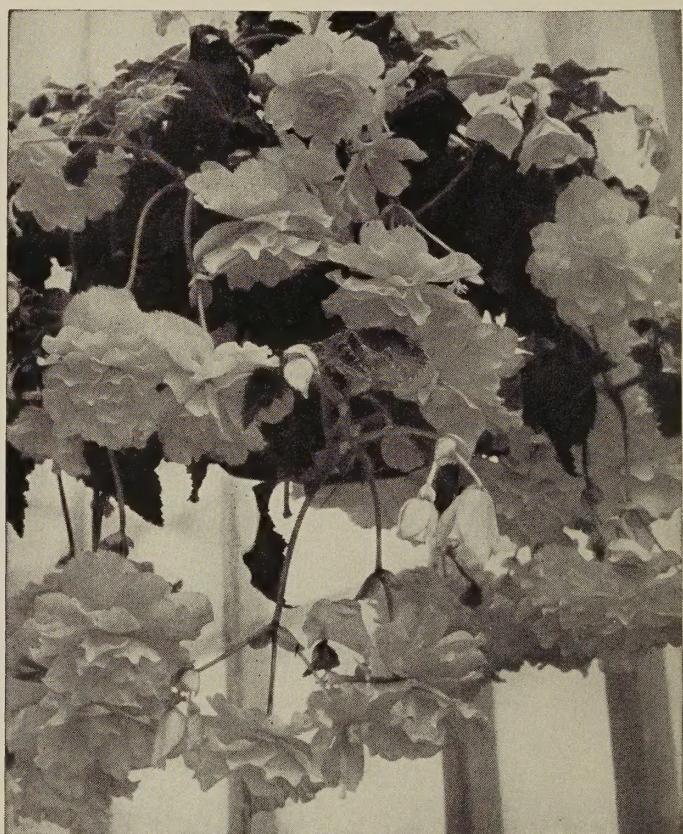

DOUBLE CAMELLIA BEGONIAS

ANEMONE ST. BRIGID CREAGH CASTLE

HANGING BASKET. Delightful for patio and summer house decoration. Also rockery and window boxes. Often hundreds of blossoms are produced from one of our large bulbs all with large flowers. Available in same colors as noted for the Camellia.

Begonias are priced at: \$6.50 for 10; \$15.75 for 25; \$62.50 per 100.

HANGING BASKET BEGONIAS

BRODIAEA
